

New England Society for Coatings Technology General Membership Scholarship

Dear Members:

NESCT is pleased to announce it will offer a scholarship grant in the amount of \$250.00 on a lottery basis. This award will be made to graduating high school students accepted at accredited academic institutions entering their freshman year, or to students who are in good academic standing with at least one full academic year to complete.

Applications will be accepted from any member of NESCT whose dues are paid for the past two calendar years. Please note that previous winners are ineligible. The winners will be announced at the annual NESCT summer golf outing. For each of these scholarships, first and second alternates will also be drawn, but not announced, in the event that the first winner is not able to establish eligibility or do not continue their education.

To establish eligibility, the winning student must obtain a letter from a school official stating they are in good standing. This letter must be submitted to the General Scholarship committee by September 2010. The committee will review the letter. The final decision regarding eligibility will be by vote of the committee. The award will be made to the student, no later than October 2010.

If you wish to nominate a student, complete ONE (only) of the enclosed scholarship forms and mail to the General Scholarship Committee Chairman so as to be received at least 24 hours prior to the NESCT Summer Golf Outing.

Please note that this award is available to nominees of NESCT members whose dues have been paid for the last two years. We hope that everyone will submit an application.

Sincerely,
Bob Marderosian
NESCT General Scholarship Chairman
New England Society for Coatings Technology

General Membership Scholarship Application
